Title of Research:  Bidding on paper reviews

Principle Investigator:  Reshef Meir, IE&M, Technion   
Dear Participant,

**The study is about:** Bidding on papers for peer review

**You will be asked to:** log in to a designated website, and mark a set of papers to “review” by following instructions. You will **not** be required to read or review these papers.

**Risks and benefits:** there are no risks involved.

**Compensation:**

When logging in, you will receive a list of keywords, and information on available papers. Your payment will be determined by the set of papers you will be allocated (which may not coincide with the papers you mark), and how many keywords they contain.

**Your answers will be confidential:** The records of this study will be kept private. In any sort of report we make public we will not include any information that will make it possible to identify you without your explicit consent. Research records will be kept in a locked file; only the researchers will have access to the records.

**Taking part is voluntary:** Taking part in this study is completely voluntary. If you decide to take part, you are free to withdraw at any time. You are free to perform all or some or none of the tasks you will be assigned. However full payment requires successful completion of tasks.

**If you have questions:** you may contact Reshef Meir: [reshefm@ie.technion.ac.il](mailto:reshefm@ie.technion.ac.il)

**Statement of Consent:** I have read the above information, and have received answers to any questions I asked. I consent to take part in the study.
